

# Money song

If you want to spend your money wisely  
It's worth to learn about it  
Before you run off to the shop  
And spend it all on sweets.

This 10p coin is the next one up  
It's shiny steel that makes it up  
It's the same as having ten pennies  
Or two of these five pennies.

1p, 1p this small bronze coin is a 1p  
It's light and it's not worth a lot  
But save it up it all adds up

10p, 10p this shiny coin is a 10p  
alone it's not worth a lot  
But save it up it all adds up

2p, 2p this big bronze coin is a 2p  
It's light and it's not worth a lot  
But save it up it all adds up  
You'll see!

10p, 10p this shiny coin is a 10p  
alone it's not worth a lot  
But save it up it all adds up

This 5p coin is the next one up  
It's shiny steel that makes it up  
It's small but it's worth 5 pennies  
That could buy you five cherries.

1p, 2p, 5p, 10p together they are worth a lot  
Just save them up they all add up

5p, 5p this shiny coin is a 5p  
alone it's not worth a lot  
But save it up it all adds up.

1p, 2p, 5p, 10p together they are worth a lot  
Just save them up they all add up  
You'll see!

5p, 5p this shiny coin is a 5p  
alone it's not worth a lot  
But save it up it all adds up  
You'll see
