

BACK TO SCHOOL SONG!

www.maestragiulia.net

Wake up, hey hey!

We're going back to school today!

Wake up, hey hey!

It's time to work and learn and play!

Hey! It's time to work and learn and play!
Yeah!

MUSIC

Come on guys the summer's gone
But we know where to have some fun!
Everyone count down to three
Want to swim to school with me?

Wake up, hey hey!

We're going back to school today!

Wake up, hey hey!

It's time to work and learn and play!

Hey! It's time to work and learn and play!

MUSIC

Come on, guys, jump up and down,
Swish your tail and turn around.
Swim right up through the town,
Wiggle your fins to the school bag sounds.

It's time, hey hey!

We're going back to school today!

It's time, hey hey!

It's time to work and learn and play!

Hey! It's time to work and learn and play!
Yeah!

MUSIC

Come on guys, let's not be late,
I'll race you up to the school gate
Everyone shout ABC,
Time to swim to school with me!

Wake up, hey hey!

We're going back to school today!

It's time, hey hey!

It's time to work and learn and play!

Hey! It's time to work and learn and play!

It's time, hey hey!

We're going back to school today!

It's time, hey hey!

It's time to work and learn and play!

Hey! It's time to work and learn and play!
Yeah!
